2022 Rose Pre-order Program

We are delighted to present our annual fall rose pre-order program. We started this program to better serve our customers. Those who participated in previous years were pleased that they had early confirmation on orders, bought their roses at a good price and saved on handling and shipping charges normally associated with similar programs.

We carry top quality #1 grade roses grown by Weeks Roses, Star Roses, and David Austin Roses. Roses are clearly marked to indicate the grower. The selection includes Hybrid Teas, Floribundas, Grandifloras, Climbers, English & French roses (which will include modern), Rugosa, Landscape, Tree roses and Miniature roses.

To take advantage of the pre-order price, roses must be paid for at the time of order. Roses will be sold on a first-come, first-served basis.

Please fill out the order form on the back of this page and have it readily available when you place your order at the nursery. **This list is subject to change due to cancellations and seasonal fluctuations in inventory.** If you have any questions, please call the nursery, e-mail, or visit us at the nursery.

Roses normally arrive around the first week of February. As soon as we get the roses unpacked, organized and tagged we will call you to let you know you can pick up your roses. Roses must be picked up by **March 6, 2022** to avoid additional potting charges.

We recommend Ferti-lome Root Stimulator, Espoma Rose-Tone®, or Gardener & Bloome® Rose Planting Mix for planting your roses.
