

Little Sprouts 2022

Take-Home Kits

2022 Little Sprouts take home class kits will be available the second weekend of each month. Kits will be \$10 each (except Carnivorous Plants) and will include all necessary supplies along with a video instruction that will be accessible on Facebook, YouTube and on our website. There will be approximately 20 kits available per class and they must be purchased and reserved ahead of time. Kits can then be picked up Friday-Sunday the week of the class.

Houseplant Planter

January 15

Welcome in the new year with your very own houseplant! Each Sprout will plant their own polka dot plant in a cute terra cotta pot and will learn about its basic needs. Each kit will include a terra cotta pot, soil, a 2" plant, and a care tag. * \$10 prepayment required, call us today to reserve your kit(s)!

Mason Bee House

February 12

Come learn all about Mason bees and how they benefit plants. Sprouts will be assembling their own hanging bee house, with a cute valentine accent to hang in the garden. * \$10 prepayment required, call us today to reserve your kit(s)!

Leprechaun Garden

March 12

The luck O' the Irish will be with your sprouts after they make their very own leprechaun planter. Each kit will include a growing guide, moss, a black cauldron planter, rainbow, and fake gold décor. * \$10 prepayment required, call us today to reserve your kit(s)!

Strawberry Planter

April 9

Enjoy the taste of spring with your very own, homegrown strawberries! You'll be planting your own bare-root Seascape strawberries in a pot made from recycled materials. * \$10 prepayment required, call us today to reserve your kit(s)!

Flower Basket

May 14

Make your home a little brighter with beautiful spring flowers! Each Sprouts kit will include a growing guide, a pulp hanging basket, soil, fertilizer, and 6 spring flowers. * \$10 prepayment required, call us today to reserve your kit(s)!

Carnivorous Plants

June 11

Learn all about these amazing bug-eating plants! Each child will get a Venus Fly Trap, and a care guide. * \$15 prepayment required, call us today to reserve your kit(s)!

Fairy or Gnome Garden

July 9

Enjoy creating your own whimsical world with our beautiful fairy gardens! Each child will receive 2-3 plants, a small container, and a cute fairy or gnome accent to add some fantasy to their planter. * \$10 prepayment required, call us today to reserve your kit(s)!

Terrarium

August 13

Learn about plants that don't need soil with these awesome air plant terrariums! These wild and unique plants are easy to care for and will add some extra plant life to your room! * \$10 prepayment required, call us today to reserve your kit(s)!

Succulent Planter

September 10

Each Sprout will plant their very own animal succulent planter! Each kit will include a planter, a small succulent, and soil. * \$10 prepayment required, call us today to reserve your kit(s)!

Pumpkin Painting

October 8

Sprouts will use their creativity and imagination to paint a small pumpkin for Halloween! Each kit will include a small pumpkin, paint, paintbrush, and pumpkin design inspiration! * \$10 prepayment required, call us today to reserve your kit(s)!

Sugar Cone Feeder

November 12

Sprouts will learn about providing food for birds as they turn a giant sugar cone into a bird feeder. Each kit will include a sugar cone, peanut butter, and bird seed. * \$10 prepayment required, call us today to reserve your kit(s)!

Holiday Centerpiece

December 10

Sprouts will make their very own holiday centerpiece! Each kit will include fresh greens, a candle, holiday decorations, and all the supplies needed. * \$10 prepayment required, call us today to reserve your kit(s)!
