

2024 Gooseberries List

| VARIETY | POLLEN | DESCRIPTION | USE |
|------------------------|--------|---|--|
| Black Velvet | Self | Medium, deep red-black fruit is roughly the size of seedless grapes. Great balance of sour and sweet, reminiscent of some blueberries. Shrub is vigorous, growing to 5'. Superb disease resistance. | Great fresh, for jams, pies, desserts. |
| Oregon Champion | Self | Fruit is pale green-yellow, medium to large, and good quality with tough skin. Flavor is tart and develops more sweetness with ripening. Plant grows 3-5' and is very productive. Good mildew resistance. | Excellent for processing: jams, wine, canning. |
