

# 2024 Strawberry List

VARIETY	SIZE	SEASON	DESCRIPTION	USE
<b>Albion</b>	Large	Spring to Fall	Firm, conical red berries with excellent sweet flavor. High yields. Disease resistant.	Fresh, frozen, preserves.
<b>Eversweet</b>	Very Large	Spring to Fall	Sweet. Flavorful deep red, long, cone-shaped, firm berries. Keeps producing even in very hot weather.	Fresh, frozen, preserves.
<b>Quinalt</b>	Very Large	Spring to Fall	Very sweet. Tasty berries with soft texture, tender skin, very productive.	Fresh, preserves.
<b>Seascape</b>	Large	Early Spring to Fall	Very sweet. Excellent flavor. Good for mild winter areas-bears so early first set of berries may be lost to frost, but subsequent flowers and fruit are not affected.	Fresh, frozen, preserves.
